Vendors Join Us!

For A Garage And Sidewalk Sale Throughout
The Entire Village

No Fees • You Keep Your Profits!

Saturday, May 15th, 2010

9:00 AM to 2:00 PM

A great fund raising opportunity for Schools • Churches • Service Clubs • Day Care Centres • Dance Schools • Community Groups and Sports teams. The more that get involved, the better we can become ...annually!

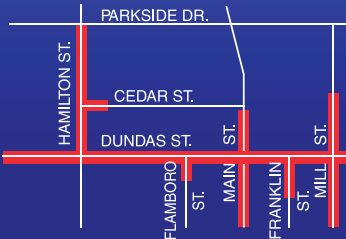

All we ask in return, is that you clean up your location when you leave.

Now in our fifth year, the Waterdown Garage and Sidewalk Sale continues to grow. The W.B.I.A.'s goal is to introduce visitors from surrounding areas and encourage local residents to shop in our Village. The Waterdown B.I.A. will provide extensive advertising for this event to ensure both the BIA members holding sidewalk sales and the community groups holding garage sales have a successful day.

Help us to promote our Victorian Village with your participation.

NOTE -Vendors must set up on the boulevard or other property with owner's permission...always face the sidewalk for pedestrian safety... respect participating business priority for sidewalk sale access and do not block driveways.

Location: Waterdown's
Business District

We are anticipating an enthusiastic response from both vendors and buyers. Please join us!
